*Denotes change of venue from previous Calendar 04.11.21

Due to the current National COVID-19 situation the National All Schools Track and Field Championships and Nitro Challenge dates have been cancelled for the 2021-22 season by Athletics Australia. As a result, AV Schools competition including All Schools T&F Championships, Schools Nitro and Schools Track Relay Championships will be cancelled. We apologise for any inconvenience.

NOTE: Athletics Australia has yet to finalise the event date for National Track and Field Championships. The positioning of this will dictate where we position Victorian State Track and Field Championships, AVSL Playoffs and the Victorian Masters Track and Field Championships. Once we are informed, we will notify members of any changes to the current calendar. Additional specialist and club meets' will be added in due course.
